

## Things we both like

Working together find a common answer for each of the following statements. You might like to add your own ideas for the last two boxes.

A colour you both like	A food you both like	A treat you both like	An animal you both like
A drink you both like	A TV programme/ film you both like*	A song you both like*	An activity you both like*
A game you both like*	A book you both like*		

\* A follow up activity could be to spend time sharing one of these things together.
