

## Guidance for making 'Bear'

*Use this simple pattern to make your own 'Bear' toy using A4 felt pieces.*

*The pattern should be printed on A4 paper for ease of sizing.*

*A chopstick is useful for turning out the arms after sewing.*

### **You will need:**

*3 x A4 pieces of brown felt*

*1 x A4 piece of cream felt*

*Toy stuffing*

*Brown thread*

*Cream thread*

*Black embroidery yarn for the facial features*

### **Method:**

*Print off the template and cut out the elements to match up with the image.*

*Pin the limb and ear pieces to the first piece of A4 brown felt and cut out.*

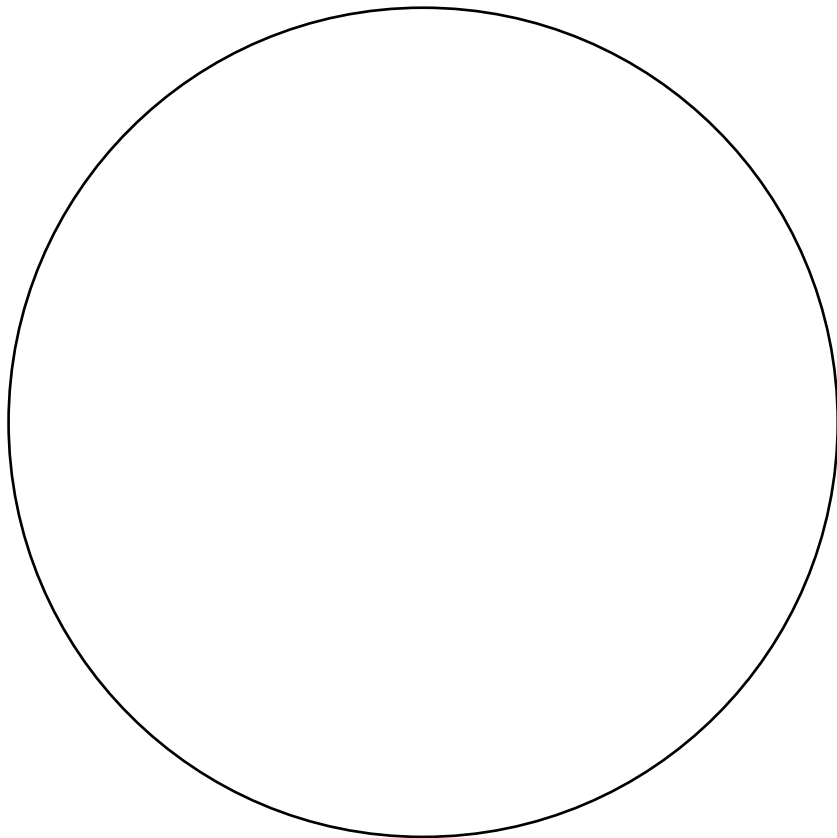

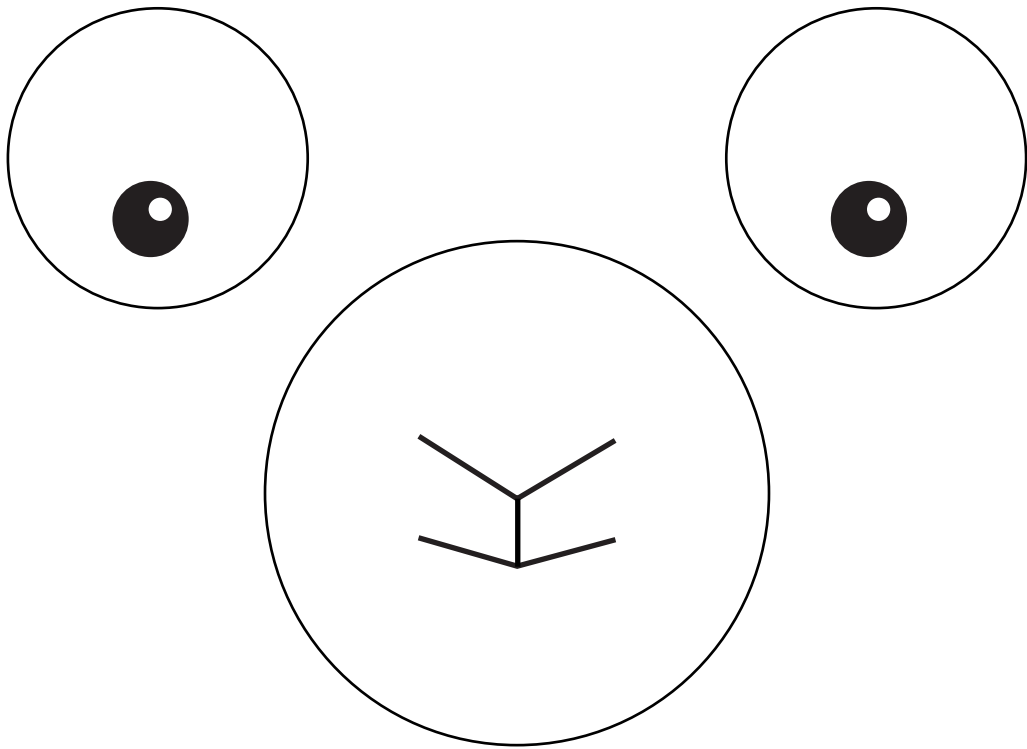

*Pin the eye, nose and tummy circles to the cream felt and cut out.*

*Sew and stuff the limbs and ears before attaching to the second brown A4 felt pieces.*

*Pin and sew the eyes, nose and tummy circles to the third brown A4 felt piece.*

*Pin then stitch the bear together keeping the limbs, ears and features on the inside leaving the bottom open for stuffing.*

*Turn the bear inside out before stuffing and sewing up the body.*
